

Free Flowers???...Well, Almost!

New Directions Career Center is celebrating 30 successful years of service. We could not be doing so if you and other donors had not remained dedicated to our cause all these years. As part of our 30th year, you may have seen announcements of our “30 in 30” events...30 different parties and events held to benefit NDCC. That is where “Almost Free Flowers” and Ole Barn Flowers come in.

If you make a \$25 donation to New Directions Career Center, we will mail to you a Flower Card for Ole Barn Flowers in Westerville Ohio. With this card, you **receive a free bouquet of flowers** from Ole Barn Flowers each month from February 2010 through January 2011. The card provides details as to which bouquet is the special for each month. The bearer of the Flower Card then presents the card in person at Ole Barn Flowers and picks up their bouquet each month.

It sounds too good to be true, but it is TRUE! This is a wonderful blessing on the Center of a company, Ole Barn Flowers, who wants to “do good deeds” in their community. Help them by making a donation to New Directions Career Center and reap the sweet smelling rewards!

Simply visit www.NewDirectionsCC.org and click “DONATE NOW.” Make a \$25.00 donation for each card you'd like to receive. Be sure to enter into the comments section your promo code: AFF2010.
